Guaranteed Asset Protection (GAP)

If your car, truck, van or SUV is stolen or totaled in an accident, you may be faced with an expensive gap between the balance you owe on your auto loan and the cash value of your vehicle. Even with auto insurance, in the event of an auto disaster, there can still be coverage gap totaling up to thousands of dollars.

You can sign up for GAP when you apply for your new or used vehicle loan. There's no underwriting, no red tape and no hassles. For your convenience, the competitively priced fee can also be added to your loan. GAP is fully refundable if you cancel the protection within the first 30 days. After 30 days, no portion of the fee is refundable.

Help protect your money, your family, your car and your credit rating. Request GAP when you apply for any new or used vehicle loan at FFCU.
